

JAYANAGAR WARD MAP

City Ward Boundary Maps

CUSTOMIZABLE CITY WARD MAPS

Unique Features:

- We provide ward boundary data for all the cities of India including Tier-1, Tier-2 and Tier-3 cities.
- Ward boundaries are demarcated in accordance with local municipal bodies and other authentic government sources.
- Each of the ward boundary polygon is supported with Census 2011, demographic data and household data i.e. number of household electricity, television, computers, scooters, cars etc. which are an indicator of a ward's prosperity.
- Maps customizable in terms of size, format and details as per client's requirement.

Map Formats:

Pin Code Boundaries are available in these formats -
AI/EPS/PDF/JPEG/
.shp/mapinfo/.tab/AutoCAD/.KML
/.KMZ/ GEOJSON/CSV/WKT

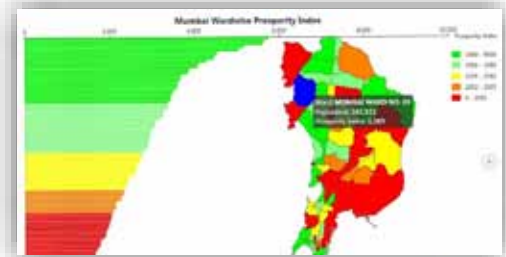

Key Benefits:

- Provides a graphic record of the city.
- Aids in researching development of a city and its neighborhood over time.
- Provides an outline of the city's extended neighborhoods.

Potential users:

- Local government: Helps in identifying the ward population, housing statistics, income and poverty levels.
- Urban planners: Helps them research on urban planning in an area.
- Researchers: To overlay their data and perform analysis for generating useful reports.
